CROQUET Rules

- 1 Take turns hitting their ball through each wicket. Wait for your turn and remember to cheer on your opponents too!
- 2 Hit your ball through the hoops in the correct order. If you miss, try again on your next turn.
- 3 You get one hit per turn unless you pass through a wicket or hit another ball, then you get an extra hit.
- 4 The first player to hit their ball through all the hoops in the correct order and hit the final peg wins the game!
- 5 The most important rule of croquet is to have fun!
